Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

METHODIST MINISTER WHO HAS WON WEALTH

The Associated Press tells the following story about Dr. R. A. Morley of Las Vegas:

Chicago, April 16.—A real estate transfer just made in the routine of the recorder's office reveals the story of a Chicago minister of the gospel who has gained a fortune of \$500,000 during his spare time from preaching. Four years ago he left Chicago with slender means to nurse a daughter back to health. Today he is the owner of landed estates and exclusive Metropolitan apartment buildings.

The hero of this fairy tale of finance and religion is the Rev. Richard A. Morley, a Methodist Episcopal pastor who was stationed for several years in Chicago and Oak Park churches. The story transpired in the purchase by the minister of an apartment hotel for \$400,000.

In 1904, Mr. Morley, in an effort to save his daughter from tuberculosis, exchanged pulpits with a minister at Las Vegas, N. M. Shortly afterwards he purchased a ranch nearby at a tax sale and that was the beginning of his prosperity. He bought more land and sold it at a large profit and within two years was owner of a tract now worth \$210,000. Branching out further he purchased a 1,000-acre farm near Kansas City, one in Wisconsin and two farms in Illinois.

All this time he has never missed a Sunday in his pulpit nor a Wednesday evening prayer meeting. When he first removed to the west he says he did not dream of entering into business transactions.
